COMP1400
Mid-Semester Practical Exam

Name: ________________________________
Student ID: ____________________________
Lab: ________________________________
Signature: ____________________________
Date: ________________________________

Instructions
❖ There are three questions in this paper.
❖ Each question is worth 10 marks. Questions are not of equal difficulty.
❖ You have to answer all three questions to the best of your ability.
❖ This exam is "open book". You may use the lecture notes during the exam. No other material is allowed.
❖ Time allowed: 90 mins

Logging in (*subject to change):
❖ Log in at the prompt, enter your login and password.
❖ A new directory will be created containing 3 BlueJ projects: Q1, Q2, Q3
❖ Run bluej and edit these projects as required by the questions.
❖ Open a terminal by right clicking on the desktop and selecting "XTerm"
❖ Type submit at the command line to submit your answers.
❖ You can submit as often as you like.

Return this cover sheet at the end of the exam.
